'TIS THE SEASON FOR RESPITE CARE

Now that the hustling and bustling of the holiday celebrations have come to an end, it is the perfect time to offer the gift of Respite Care to you or a loved one. Respite care allows the care giver the opportunity to take a break from their role and the pressures that can be associated with daily care required by an ill, disabled, or older family member. Our Respite Care is the best in the industry. We provide companionship to complete personal care, allowing the care-giver to find relief and recharge.

THE "A" TEAM

New Faces, More Experience, Continued Excellence

Absolute Homecare and Medical Staffing is grateful for another successful year in 2013. From supporting the Women Who Care of Kalamazoo County to sponsoring and serving senior dinners at the Portage Community Center, AHMS continued to give back in support of our community.

Last year also brought two new faces to our "A" team, including Mandy Shorter and Mary Marchese. In June, Mandy was named the new clinical supervisor and is responsible for the oversight and supervision of home health aides and providing nursing care. A Kalamazoo resident, Mandy is a Board Certified Geriatric nurse specialist and has worked in long-term skilled nursing care for more than 20 years. Previously, Mandy was director of nursing for Laurels of Bedford in Battle Creek. Mary also joined AHMS as the community relations director in October. Her responsibilities include marketing, promotions and recruitment for the company. A Portage resident, Mary has a bachelor's degree from Grand Valley State University and a master's degree from Sacred Heart University. She previously worked as an account executive for five years for Wright & Filippis.
